

Alternative Fuels Meeting Notes

Meeting Details:

- Date: June 17, 2022, 12:30 – 2:00 PM

Council Member Participants:

- Doreen Harris
- Rory Christian
- Richard Ball
- Henry Spliethoff (obo Mary Bassett)
- Donna DeCarolis
- Bob Howarth
- Peter Iwanowicz
- Anne Reynolds

Meeting Agenda/Topics Covered:

- Procedure
 - In lieu of outside presentations during subgroup meeting time, the subgroup members agree to share resources and/or papers from various subject-matter experts for collective review. After reviewing the materials, members may ask questions of the experts.
- Defining alternative fuels
 - The subgroup reviewed a matrix defining various alternative fuels.
 - The subgroup discussed several potential changes to the matrix to ensure clarity of definitions.
 - E.g., Additional information and detail on hydrogen; clarify difference between renewable diesel and biodiesel
 - The subgroup reviewed uses of alternative fuels as they are currently described in the draft scoping plan. The subgroup will discuss options for additional uses and/or additional guardrails around use in future meetings.
 - **Action item:** Staff will amend the definitions in the matrix based on the subgroup discussion and recirculate for review.
- Discussing assessment criteria for alternative fuels
 - Subgroup members reviewed threshold questions and more detailed criteria for assessing alternative fuel use in the scoping plan.
 - **Action item:** Staff will amend the criteria based on the subgroup discussion and recirculate for review.
- Next steps
 - The next subgroup meeting will focus on equity and co-pollutants.
