

Alternative Fuels Subgroup Meeting Notes

Meeting Details:

- Date: August 10, 2022, 3:30 PM – 5 PM

Council Member Participants:

- Brian Steinmuller (obo Richard Ball)
- Henry Spliethoff (obo Mary Bassett)
- Doreen Harris
- Rory Christian
- Donna DeCarolis
- Dennis Elsenbeck

Meeting Agenda/Topics Covered:

- Review of emissions estimate worksheet
 - The subgroup continued to refine the qualitative emissions estimate worksheet and discussed policy considerations to mitigate or eliminate emissions from various alternative fuels (e.g., digestate management).
- Review and discussion of waste chapter recommendations
 - Using the assessment criteria, the subgroup discussed the strategies in the waste chapter of draft Scoping Plan that include alternative fuels.
 - E.g., beneficial use of biosolids; on-site use of biogas at WRRFs
- Next steps
 - The subgroup will use the assessment criteria between meetings to evaluate recommendations related to alternative fuels in additional chapters to discuss at the next meeting.
