

Gas Transition Subgroup Meeting Notes

Meeting Details:

- 9/16/22, 2:00-4:00

Council Member Participants:

- Rory Christian
- Mario Cilento
- Donna DeCarolis
- Dennis Elsenbeck
- Roberta Reardon
- Raya Salter
- Paul Shepson

Meeting Agenda/Key Takeaways:

- The subgroup reviewed members' suggested revisions of the Scoping Plan Gas System Transition chapter. Topics of discussion included:
 - the role of pilot programs and the need to ensure that all pilots undertaken are consistent with CLCPA objectives
 - language used in the Scoping Plan to indicate the downsizing, contraction, or transformation of the fossil gas system
 - recommendations regarding the sequencing or relative prioritization of energy efficiency and electrification efforts
 - clarification of language pertaining to methane emissions and the availability of renewable natural gas
